

Capital Kids Preschool

Where Minds Grow

Consent and Release

Capital Kids uses pictures for a number of reasons. These reasons include but are not limited to displays in the hallways/classrooms, documenting the children's growth/development, and documenting activities and special events. In some situations a child's picture may be used in advertising materials (flyers, newsletter, website, etc.).

_____ Yes! I give permission for my child's picture to be taken. I understand that any pictures taken may result in my child's picture being displayed throughout the center or possibly being used in advertising materials.

_____ No! I do not give permission for my child's picture to be taken.
